

Remarks

On reviewing the claims upon receipt of the Notice of Allowance dated September 23, 2004, it was noted that claim 3 was indefinite since there was no antecedent basis for the "stub shaft" defined in line 4 of the claim. Accordingly, by this amendment, claim 3 has been amended by inserting in line 3 after "shields" - comprises, a stub shaft extending through respective side portions of the eye shields - .

Respectfully submitted,
